

PERFECT WHOLE GRAIN PASTA EVERY TIME COOKING INSTRUCTIONS

WHOLE LOT BETTER WHOLE GRAIN ENRICHED LASAGNA

Cook Time: 8-10 minutes

Basic Pasta Cooking Instructions for One (1) Pound of Lasagna

1. Bring 4-6 quarts of water to a rapid boil. Add 1 to 2 teaspoons of salt, if desired.
2. Add pasta to the boiling water and stir. Set the timer.
3. Stir the pasta gently several times while it is cooking, approximately every three minutes. Dakota Growers pasta is made so that it does not stick, but it is advisable to stir the pasta so that it cooks evenly.
4. Drain pasta immediately and chill shock with ice or cold water. Drain well.

IF HOLDING LASAGNA

5. Drizzle with light vegetable oil to help prevent sticking. Pre-portion and store in sealed container.
6. Date code each sealed container and store in cooler for up to 48 hours.
7. Assemble lasagna according to your recipe.
